© "DETAILED APPLICATION". ASSEMBLY INSTRUCTIONS.

1. Print 3 application sheets on the printer:
- Appendix - "Details of application";
- Application - "Basis of application";
- Appendix - "Decals".

2. Cut out all the elements of the "Details" application.
3. Now cut out the basis of the application on the contour of the image!
4. On a sheet of cardboard or a landscape sheet (A4 format), glue the base of the application. Cardboard - background of your application.
5. Spread the elements of the appliqué parts onto the colored cardboard and circle them. Then cut out all the parts.
6. Glue on the basis of the application each element of the parts in accordance with their location.
7. Color the Decals with colored pencils and cut them along the outline of the image! Then paste the Decals on the base of the applique.
